LAWN MOWING REGULATIONS

Section 51.02 of the Code states (in part) that:

“All open areas and parts of the premises shall be maintained and kept in a reasonably clean and neat condition.” It further states that: “Any weeds or tall grass growing upon any lot or parcel of land in the City of Kasson are hereby declared to be a nuisance and dangerous to the health, safety and good order of the City.”

“If the owner or occupant thereof fails, within five days after the posting by first class mail of a notice to abate a public health hazard contained on the property, the City by and through its authorized personnel may enter upon any such property and abate the public health hazard by any reasonable means, including contracting with a private person to do so.”

Load Management Controllers

Under the City of Kasson, Electric Load Management Plan, the City manages an electrical controller system which is installed on residential and commercial central air conditioning units. This controller allows the electric power provider to interrupt the central air conditioner unit (7.5 minutes every 30 minute interval) during periods of high summer peak demand; usually on hot, humid summer days in the late afternoon or early evening. When the controllers are activated, the AC unit will cycle off at brief intervals much like your thermostat; the fans will continue to circulate cooled air helping maintain your comfort. By participating in this program you can save money on your electric bill and help the City “level out” energy use during peak demand periods when the cost of electricity is the highest.

The City of Kasson has always and will continue to pay for the installation of the Load Management Controllers for residential customers and for businesses. Kasson Public Utility residential customers with load controllers will receive a 10% discount for four (4) billing periods generally designated as May 16 through September 15 on their electric usage.

If you have any questions or would like to participate in this program contact Krista today at (507) 634-7071 or email cityhall@cityofkasson.com
