**HAPPY
THANKSGIVING!**

SNOW EMERGENCIES: No vehicle or trailer shall be parked on any street or alley during a declared snow emergency. A snow emergency is defined as any time the quantity of snow warrants the deployment of snow plows. During snow emergencies, no parking shall be allowed on the road or alley until the snow and ice plowing has been completed the full width of the roadway. Citations shall be issued to vehicle owners parked in the path of a snowplow on the first pass. Any vehicle violating this article will be towed without notice to the property owner, at the owner's expense.

SNOW REMOVAL FROM SIDEWALKS: No owner or occupant of a property adjacent to a public sidewalk shall allow snow or ice to remain on the sidewalk longer than 24 hours after snow has ceased to fall. After that time, the City may remove the snow or ice and bill the responsible party for costs incurred.

PILING OF SNOW: Persons shall not push or deposit snow or ice into a street or alley from private property or public boulevards. Do not pile snow at street corners or at the ends of public drives so it interferes with the view of the traveling public. Property owners will be charged removal costs if such piles must be removed by City staff or other agent of the City.

THE CITY OF KASSON WILL ACCEPT CREDIT AND DEBIT CARDS FOR UTILITY TRANSACTIONS ONLY.
