Dried leaves, grass clippings and other debris will block the grates and prevent storm water from entering the storm water system. City personnel will get to them eventually but you can help yourself by keeping them clear. Please do not push grass clippings or rake leaves into the street. Leaves must be gathered up and taken to the landfill. We ask that you please help clean out the storm sewer grates on your block and help us keep you dry! Thank You.

The *Click it or Ticket* seat belt enforcement runs from October 14 through October 30. More than 300 law enforcement agencies will participate in the campaign.

- The law requires all drivers and all passengers to be buckled up.
- Even if you think you are a good driver, seat belts protect you from unsafe drivers and road hazards.
- Speak up — if you're driving, make sure all of your passengers are buckled up before you put the car into "drive." You could be saving your own life as well as those of your passengers.

Please participate in the Body Camera Survey at:
