LAND USE TRAINING INCENTIVES: Community Development Director, Mike Martin, stated that the League of MN Cities is offering an incentive to use their on line Land Use Training tools. 2012 BUDGET: Martin showed the Commissioners the proposed budget for the Planning Department for 2012 and asked if there were any comments or anything else that they would like to cut or included. New maps were discussed or a way to link our information to Google Earth.

OTHER BUSINESS: Martin informed the Commission that he has not yet been able to locate a City that actually enforces an elevation ordinance.

ADJOURN: Since the agenda had been met the meeting was adjourned at 6:55

Respectfully submitted,
