## AUTO PAY

Are you tired of writing checks? Tired of scrambling to drop off your payment on time? Do you share concern that your on-line bill pay won't get your payment to the City before penalties are added to your account? Does your bank charge you for your on-line bill pay option? Eliminate late fees and save time; sign up for Auto Pay! Your monthly payment will be automatically deducted from your bank account on the 15th of each month. Call 634-6325 for an application or stop by and fill one out today.

## BUILDING A HOUSE? DECK? GARAGE? REMODELING? REROOFING? WINDOW REPLACEMENT?

Building permit applications are located on the City of Kasson website at [www.cityofkasson.com](http://www.cityofkasson.com)

Call Krista at  
634-7071  
with questions.

## DO YOU HAVE A QUESTION ABOUT YOUR PROPERTY TAX VALUATION?

Your opportunity to question the valuation of your Kasson property is at the County's Board of Appeal and Equalization Open Book meeting.

This will be held Thursday, May 1<sup>st</sup> at 6:00 PM at the Dodge County Boardroom.

## VETERANS' PARK SHELTER RESERVATIONS

To reserve the shelter for your use, please call City Hall at 634-6301 to check availability and make your reservations. Rates are generally \$30.00 and are reserved only on the weekends from May 1<sup>st</sup> through October.

Questions call 634-4307

Kasson residents continue to battle frozen water lines and there are precautions you can take to prevent freeze up. Check the water temperature of your cold water line after leaving it run for a few minutes. If it is below 40 degrees Fahrenheit you should keep a small stream of water moving to prevent freezing, especially at night or during periods you are not home. Homeowners are responsible for their water service line from the water main to their home. If it freezes or breaks it is your responsibility to fix it. A little higher water bill now may prevent a large bill later to thaw out your service line.

Under the City of Kasson, Electric Load Management Plan, the City manages an electrical controller system which is installed on residential & commercial central air conditioning units. This controller allows the electric power provider to interrupt the central air conditioner unit (7.5 minutes every 30 minute interval) during periods of high summer peak demand. By participating in this program you can save money on your electric bill and help the City "level out" energy use during peak demand periods when the cost of electricity is the highest.

Installation of Load Management Controllers has been mandated on new houses with Central Air Conditioner Units and on Replacement Central Air Conditioner Units permitted/installed on or after 1/1/14. The City of Kasson will continue to pay for the installation of the Load Management Controller. Kasson Public Utility members with Load Management Controllers will receive a 10% discount for four (4) billing periods generally designated as May 16 through September 15 of each year. This is for residential units only at this time.

If you have any questions or would like to participate in this program please contact City Hall at (507) 634-7071 or [cityhall@cityofkasson.com](mailto:cityhall@cityofkasson.com)
