TOWARD ZERO DEATHS

The statewide DWI (Impaired Driving) campaign kicks off Saturday, August 16th, and runs through Labor Day. Impaired driving is a serious threat on Minnesota roads.

Minnesota's enhanced DWI enforcement and education efforts have been factors in the continued reduction of alcohol-related deaths. Still, impaired driving remains a serious threat, accounting for more than 100 deaths each year, while nearly 30,000 motorists were arrested for DWI. One in seven Minnesota drivers has a DWI on record. Help prevent impaired driving!

HELP US KEEP YOU DRY!

Clean out the storm sewer grates on your block. Dried leaves, grass clippings and other debris blocks the grates and prevents storm water from entering the storm water system. City personnel will get to them eventually but you can help yourself by keeping them clear.

8TH AVE SW WATER TOWER

Maintenance and preparation for painting has begun on the 8th Ave SW water tower. The tank will likely be drained the week of August 4th and you may experience low water pressure as a result. Please conserve and delay projects requiring large amounts of water until maintenance is completed. City Water Department 634-7602
