**Model Tree Street Planting**  
**50%-50% Cost Sharing**

The Kasson Park & Recreation Dept. is sponsoring a program called "Model Tree Street Planting." This is an effort by the City to get as many people as we can to plant Blvd. trees. New additions are especially urged to participate in the program. The City of Kasson will pay 50% of the cost of planting a blvd. tree along your property. The trees will be guaranteed for 1 year after the tree is planted. After this date it will be the sole responsibility of the homeowner to replace a tree. The Park Dept. will designate the variety of tree to be planted, contact each property owner about exact location, and plant the tree on the boulevard. **The Park Dept. has budgeted for 75 trees to be planted. Please call as soon as possible for your order.**
