“Drive Sober or Get Pulled Over.”

Americans love to celebrate the Fourth of July with family, friends, food and fireworks, but all too often the festivities turn tragic on the nation's roads. The fact is, this iconic American holiday is also one of the deadliest holidays of the year due to drunk-driving crashes.

If you drive drunk, you not only put your life and the lives of others at risk, you could face a DWI arrest. Arrested drunk drivers face jail time, the loss of their driver's licenses, higher insurance rates, and dozens of other unanticipated expenses from attorney fees, fines and court costs, car towing and repairs, lost time at work, etc.

PLEASE, STAY SAFE THIS 4TH OF JULY HOLIDAY!
