

City of Kasson Newsletter – March 2019

Tree City USA

SNOW EMERGENCIES:

No vehicle or trailer shall be parked on any street or alley during a declared snow emergency. A snow emergency is defined as any time the quantity of snow warrants the deployment of snow plows. During snow emergencies, no parking shall be allowed on the road or alley until the snow and ice plowing has been completed the full width of the roadway. Citations shall be issued to vehicle owners parked in the path of a snow plow on the first pass. Any vehicle violating this article will be towed without notice to the property owner, at the owner's expense.

SNOW REMOVAL FROM SIDEWALKS:

No owner or occupant of a property adjacent to a public sidewalk shall allow snow or ice to remain on the sidewalk longer than 24 hours after snow has ceased to fall. After that time, the City may remove the snow or ice and bill the responsible party for costs incurred.

PILING OF SNOW:

Persons shall not push or deposit snow or ice into a street or alley from private property or public boulevards. Do not pile snow at street corners or at the ends of public drives so it interferes with the view of the traveling public. Property owners will be charged removal costs if such piles must be removed by City staff or other agent of the City.

-Thank You, Stay Safe!

Please remember to **Stay Alert, Slow Down, Stay Back, and Be Patient** and remember 102 snowplows are working in SE Minnesota to improve state highways for your winter travel!

CLEAR FIRE HYDRANTS

Please clear in front of and on both sides of the hydrant if you have one located on your property. The firemen and your neighbors appreciate it!

WINTER SAFETY BULLETIN

Please be vigilant.

Keep children away from snow piles on City property; including but not limited to cul-de-sacs, the fire hall, soccer fields, the liquor store, American Legion and Lions Park. Heavy equipment routinely adds or removes tons of snow in one scoop. Though personnel visually check for hazards BEFORE moving snow, these piles are off limits and dangerous.

Each year, St. Patrick's Day - March 17 - is celebrated with city parades, funny leprechaun hats, and plenty o' green beer. Unfortunately, it often ends with risky drunk drivers taking to the streets when the parties end. Drunk driving accounts for nearly one-third of vehicle-related fatalities in the United States. This St. Patrick's Day, remember: **Buzzed Driving Is Drunk Driving.**
